Customer Problem Statement:

I am a student or working professional who wants to stay fit and healthy. I'm trying to follow a proper workout routine and achieve my fitness goals. But I find it difficult to choose the right exercises and create a workout plan that suits me.

Because I do not have a personalized fitness plan based on my goals, fitness level, and available time. Which makes me feel confused, unmotivated, and inconsistent with my fitness routine.

I am	Describe the customer and their attributes here
I'm trying to	List the thing they are trying to achieve here
but	Describe the problems or barriers that get in the way here
because	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions the result from experiencing the problems or barriers

Example:

Problem Statement

Problem Statement		I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A beginner in fitness and working professional		to maintain a healthy lifestyle and achieve my fitness goals	I don't have personalized plans and proper guidance	so I end up with confusion and inconsistent workouts	frustrated and unmotivated
PS-2	A college student with limited time		to stay fit and improve my health	I don't have easy access to structured workout plans	so I can't follow a proper routine regularly	tired and unhealthy
